Subject: Deficient Amendment to Notice of Intention to Commence Small Mining Operations, The Bug House, Treasure Chest Mine, S/023/0028, Juab County, Utah

Dear Mr. Crapo:

The amendment to the Notice of Intention to Commence Small Mining Operations (NOI), received by the Division on August 22, 2007, is incomplete. The following information is required:

1. The map must have a north arrow and a scale.
2. The map should be at a scale of one-inch equals 200 feet or less.
3. The information on the map is out of date and you must update the location of the disturbed area boundaries. Please include those areas that you have reclaimed and those areas that you are actively mining.

Please provide your response as replacement pages to your original NOI, using Form MR-REV-SMO/EXP, available on the Division's web site at: www.ogm.utah.gov.

We apologize for the delay in responding to the amendment. If you have any questions regarding this letter, please call me at (801) 538-5261 or Wayne Western at (801) 538-5263. In reply, please refer to file number S/023/0023. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
